## Why You Must Hire Me?

I bring a data-driven mindset and structured thinking to support strategic decisions across people, business, and growth initiatives.

01

### Human-Centered Mindset

align organizational goals with stakeholder needs.

02

### Data-Driven & Structured

Leveraging data and structured analysis to support effective human capital decisions.

03

### Adaptive & Growth-Oriented

Continuously learning and adapting to thrive in dynamic work environments.

## About Me

Fresh graduate with a Bachelor of Business Management in Telecommunication and Informatics from Telkom University, with a concentration in **Digitalization Human Capital Management**, and a strong interest in **Organizational Design**, **Talent Acquisition**, and **Business Development**. Experienced in data analysis, market and user research, recruitment support, and Business Model Canvas development, gained through internships, teaching practicums, and digital projects. Skilled in problem-solving and analytical thinking, with a demonstrated ability to translate insights into strategic recommendations that support human capital initiatives and business growth.
